

Tuition and Fees Quote

This is an estimate and should be used as a guideline. Actual fees will be assessed upon registration. After you register, you will be able to view any outstanding fees on MyHumber, by selecting the Account Summary by Term or Account Detail by Term menu items. Tuition deposit payments must be received on or before the deposit due date to secure your seat in the program. Fees are subject to change.

Please note that additional fees may be added to your tuition that are not included in your tuition quote. To view the most accurate and up to date tuition fee breakdown, please refer to your program's webpage and select "Fees & Scholarships".

Domestic Students: Your **due dates for deposits and tuition fees** are stated in the Academic Calendar on the Humber website. These fees are not outstanding on your record.

International Students: Your **tuition fee due date** is stated on your Letter of Acceptance. For 1st semester students, your tuition deposit is your entire semester one tuition fee (see below). Partial and late payments will not hold your seat in the program.

Terms and Conditions

DOMESTIC REFUND POLICY

It is the student's responsibility to become familiar with the Academic Regulations, which outline course and program fee refunds.

For students who are considering a program/course withdrawal, we strongly advise that the student consult their program coordinator, in addition to consulting with a representative in the Office of the Registrar. OSAP recipients should check with a Financial Aid Representative, as withdrawing may affect their current or future OSAP status. If students withdraw after the refund date, they are responsible for any outstanding fees and for repayment of funds to OSAP, if applicable. International students should consult with the International Office, as withdrawing may affect their status in Canada.

Refund requests must be submitted to the Office of the Registrar on or before the tenth official day of the term. There are no refunds after the tenth official day of the start of the term and students are liable for payment of outstanding fees. There are no exceptions to the refund policy for students who register late. Full time program fees are a package cost and dropping a course(s) does not qualify for a refund if a student remains in full time status (this includes students approved for transfer credits). Unused Student Contact Hours are not transferable from one semester to another.

Please note that \$250 (or \$1,000 for international students) of program fees (e.g. tuition deposit) is automatically withheld once payment is made. Late fees are non-refundable. Refunds will be processed using the same method that the original payment was made. Refund of fees originally paid by web banking, debit card and cash will be issued by cheque. Refunds for students that received OSAP may be forwarded to OSAP through the National Student Loan Service Centre (NSLSC).

INTERNATIONAL REFUND POLICY*

<p>1. Please refer to Humbers International Student Refund Policy for Important dates and Information (https://international.humber.ca/study-at-humber/application-process/refund-information.html). Any requests received beyond these dates will be denied. No exceptions to the refund policy will be made.</p>	<p>2. Refund of fees paid by credit card will be returned to the original credit card. Refund of fees paid by web banking and debit card will be issued by cheque. Refund of fees paid via Flywire will be returned to Flywire and then Flywire will return those funds via the original method of payment.</p>	<p>3. Your tuition fees are transferable for up to two consecutive starts (8 months) for academic programs and (4 months) for English for Academic Purposes programs, provided you make the request prior to the tenth (10th) day of class. An administration holdback will not be applied. After two deferrals, tuition will no longer be deferred.</p>
